for projects to be nominated at the September 21, 2016 CCA Meeting

This petition form is due August 9, 2016 • No Extensions.

Project Boundaries (Street and Block or Block Numbers:

Number of Affected Homes: _____

Project Description (Must Be Identical Match To Description On Proposal Form):

• **Signature of at least 70% of affected homeowners required for nomination to be qualified.**

• Street paving projects require new curb, gutter, and sidewalk on at least one side of the street.

• Any plants, trees, fences or other items in the county's Right-Of -Way may be removed to accommodate new sidewalk, curb, or a reconfigured street. Fences may be reconstructed at the property line but there is no guarantee until the project is scoped. Trees will be replanted but not necessarily in the area they were removed.

• Any plants, trees, or fences on private property that need to be removed due to construction are usually replanted or reconstructed on the owner's property.
